Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

A review of the file finds that a Notice of Non-Compliance (37 CFR 1.121) was mailed in the instant reissue application on 10/27/03 for applicant's failure to provide a complete listing of all claims. As noted in the Response to the Notice of Non-Compliance filed by applicant on 10/31/07, only 37 CFR 1.121(i) pertains to reissue applications. Rather, any issues of non-compliance should have been noted with respect to CFR 1.173 (amendment practice for reissue). Accordingly, the Notice of Non-Compliance mailed 10/27/03 is hereby vacated. The Office apologize for any inconvenience to applicant. Should the examiner notice any deficiencies in amendment format with respect to 37 CFR 1.173, they will be noted in the next Office action. No further response is required at this time as an action on the merits is forthcoming.
